10th January 2020

Dear Parents and Carers,

A new year; anew decade; a new term at Foulsham! We have got off to a fantastic start with the children returning to school healthy and keen to learn. We hope that you were able to have some special family times over the break and we wish you health and happiness in 2020.

A special thank you to the 'Friends of Foulsham Primary School', who invited Father Christmas to visit, and organised refreshments for the children on the final day of term. It was a special way to end a busy term. The Friends work hard throughout the year to raise money for those special extras for the children of our school. They are always looking for new recruits to their team; if you were able to spare some time to assist in future events, please to speak to a member of staff in the office and they will pass your contact details on.

Kind regards,  
Mrs J. Lound

If children bring grapes to school as part of their packed lunch, or a healthy snack, please ensure the grapes are at least halved (if not quartered) along their length. This will reduce the risk of choking

This week's Stars of the week are:

## Some everyday reminders!

- We value children being able to enjoy our magnificent field at lunchtimes in all but heavy rain; please make sure your child has a warm, waterproof coat and wellies.
- Please remember it is essential for your children to have a PE kit in school at all times. Please ensure it contains warm jogging bottoms and a top for the colder months, along with the regular items of, shorts, t-shirt and trainers.
