6th May 2022

Dear Parents and Carers,

This week has been a rich mix of learning and fun at Foulsham. We are loving welcoming Turtle class parents into the school each Friday morning for a drop-in to get involved in their child's learning and are looking forward to welcoming all parents to our Jubilee picnic lunch and to a sports week event also later in the term.

Although the summer term is full of extra enrichment activities including trips, sports week and, this year, Jubilee celebrations too, it is also a time when children make huge gains in their learning as well. Everyday at school is packed full of learning which lays the foundations for future learning: in future weeks, months and indeed years. Therefore children attending school whenever they are well enough to do so is important, to ensure that they are not missing out on learning leaving them with gaps which will effect their future attainment. This term we have seen an increase in parents planning term time holidays; whilst I understand that we are all delighted to be able to travel, which we have missed out on due to the pandemic, I would strongly encourage plans which do not impact on your child's schooling. I would also refer you to the attendance letter which is available on our school website detailing the school's policy on attendance.

Just a reminder that we run a before school 'Early Birds Club' and an after-school club also which can be booked via Parent Mail at a very reasonable cost. Our after-school club runs Monday to Friday 3:15pm - 4:45pm; this is in addition to the Tuesday Premier sports club. Children must be booked into this provision in advance to attend. Please contact Ms James in the school office if you need further information or any assistance in booking a place.

With all good wishes
Mrs Lound
(Head of School)

Stars of the week

Reminder: all children should have PE kits in school everyday please, have their hair up and no jewellery on PE days too.

Sporting events

It has been lovely to be able to begin to venture out and for the children to participate in sporting events this term. As we move on into the summer term there will be lots of opportunities inside and outside school for children to experience competitions and activities. Not all children will participate in the same event, but it is our aim to give each child the opportunity to gain a sporting experience by the end of this academic year.
