

3rd March 2023

Dear Parents and Carers,

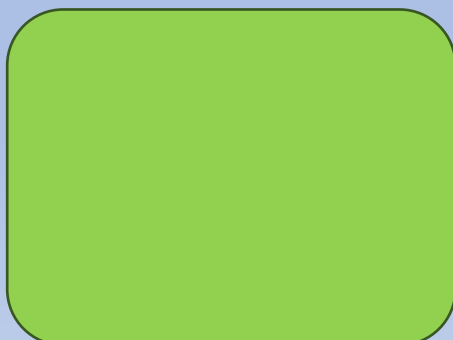

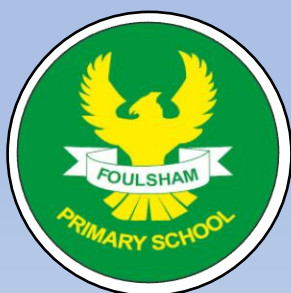

It has been a lovely settled week at Foulsham: we were thrilled to be open as usual on Wednesday despite it being another day of strike action for teachers in Norfolk and it has been a joy to finish the week celebrating World Book Day with many of us in our pyjamas!

We look forward to welcoming you into school on Monday and Wednesday next week for Pupil Progress Parents' Meetings when you will have an opportunity to discuss the progress your child is making and enjoy looking at their work. If you have not yet made an appointment, please contact the school office by phone or email; we really do want to meet with each of you. Meetings with teachers will take place in the school hall. Please enter the school building through the playground. You are welcome to bring your child to the appointment, but please be aware they will need to remain with you as we have no childcare provision.

Mrs Coldwell has been a key part of our school community for a number of years serving us in a range of roles including leading Early Birds and being our caretaker. We are sad that she has decided to move on from these roles at Easter; I am sure you will join me in wishing her all the very best in her new job. I am hopeful that Mrs Coldwell will not become a stranger to us and will continue to be a part of our school community in her role as a grandparent of children at our school.

With all good wishes to you and your family

Kind Regards
Mrs Lound
(Head of School)

Cricket Festival

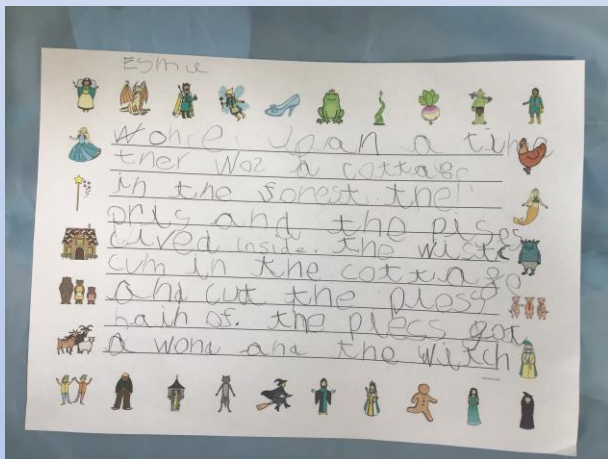

A selection of Penguin children went to the UEA on Monday to partake in some Cricket skills activities. All the children got involved and had lots of fun.

World Book Day

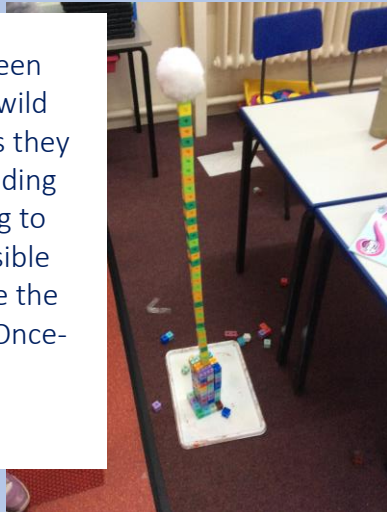

Jaguar class read an extract from one of the World Book Day books, without knowing the title. They completed four stations where they came up with their own book cover, wrote a blurb, decided what might happen next in the story and finally created a scratch animation.

They also got the chance to use the classroom as a 'Reading Cafe' where they enjoyed a drink and a biscuit while reading from a choice of 'adventure style' books.

Reception and Year 1 children focussed on fairytales for WBD. We all created mixed up fairytales with different characters, settings, villains and objects and came up with some funny stories! Some of our favourites were stories about smelly trolls, magical mermaids and wicked witches. We have created a class fairytale book for our reading area so we can enjoy each other's stories. What a magical, mystical, marvellous day!

Leopard class have been reading books about wild animals and the threats they face. This included reading "The Lorax" and trying to create the tallest possible Truffula tree to replace the ones cut down by the Once-ler.
