8<sup>th</sup> September 2023

Dear Parents and Carers,

It has been so lovely to welcome children back to school this week. I love the buzz of a school full of children busy learning and having fun with their friends! A special welcome to children who have joined Turtle class this week.

We are pleased to welcome Mrs Cole and Miss Vergerson to our team of teaching assistants, as well as Mr Harvey who will be teaching Leopard class.

We hope that your child settles quickly into their new class, but we are aware that change can sometimes be tricky. Please do share with your child's class teacher about anything which is particularly worrying your child; by working together we are usually able to quickly transform situations. You can have a chat to your child's class teacher at the end of the day or at drop off in the morning. However, we would generally encourage you to email the school office with messages or contact the school office to request a phone call from the teacher to enable a less hurried and more private conversation.

Children are often worried when they arrive at school without all the equipment they need. Please help your child to have a settled day by making sure they bring: a coat (a light waterproof coat in their school bag is fine until the weather gets colder), a water bottle, PE kit (this can be brought in on Monday and taken home again on Friday) and a sun hat for these sunnier days.

Kindest Regards  
Mrs Lound  
(Head of School)

**If your child is unable to attend school, please remember to ring  
or email the office before 8:50am
