1<sup>st</sup> December 2023

Dear Parents and Carers,

December has arrived and so too winter it seems! It is lovely to see children dressed in warm winter coats and with changes of footwear (and socks) to ensure they don't have cold, wet feet after having fun on our extensive field.

This week we enjoyed welcoming governors into our school; monitoring the school is a key part of their role. They noted 'lovely learning' taking place; children engaged with their learning; a calm atmosphere across the school in every class; 'loads of learning and loads of smiles'; as well as noting the exceptional levels of tailored provision for children's individual needs. I hope that these reflections from governors, some of whom are ex-educational professionals themselves, will reassure and delight you.

Assemblies this week have had a bit of a Christmassy theme to them as children have learnt about what some of our Christmas language means, in particular the words: advent and nativity. I wonder if your child can use the word 'nativity' in a sentence for you?

Don't forget Monday 4<sup>th</sup> December 1:45 - 3:00pm will be our Christmas-themed Curiosity Cafe. We hope you, or another family member, will be able to join us for refreshments followed by time in your child/ren's classes enjoying an activity together. Please enter school via the Early Bird's/Twilight door to the front of the school hall. Please be aware that sadly there will be no space for pushchairs and prams within school at this event.

Kindest Regards

Mrs Lound  
(Head of School)
