

Betye Saar's Curriculum Information Letter – Year Reception, 1 & 2
Spring Term 2024-2025

Dear Parents/Carers,

I would like to welcome you back to school and hope that you had a happy and restful Christmas break. In this letter, you will find an overview of the work that your child will be completing during this Spring Term 2025 in school. Please find opportunities to support your child's learning by doing additional research on new topics (pre-teach). It is really important to read/share books daily with your child. We encourage children to read daily for 10-15 minutes each day. Reading books must be in school every day whether you read at home or not.

If you have any questions, please telephone the school office and I will make arrangements to contact you by phone or in person.

Kind regards,
Mrs Marshall
